

2024 Webinar Series

Deaf Seniors of America

MEDICARE AND THE INFLATION REDUCTION ACT: WHAT DOES IT MEAN FOR YOU?

Significant updates to Medicare benefits will be introduced in 2025. The Inflation Reduction Act (IRA) will impact many Medicare enrollees with prescription drug coverage, making it important to review your options. In this informative webinar, we will cover:

- Understanding the Changes: Learn why these updates are occurring and what they mean for you.
- Impact on Coverage: Discover how the changes may affect you.
- Next Steps: Find out what actions you should take to prepare for 2025.

Join us to stay informed and ensure you're ready for the changes to your Medicare coverage.

Rescheduled due to Hurricane Milton

About the Presenter

Heather Benjamin spent over 25 years as a sign language interpreter; she now works with the Deaf and Hard of Hearing community educating and providing guidance on Medicare health insurance. She understands the many barriers to information that Deaf and Hard of Hearing individuals face and has a passion to make Medicare information accessible which allows them to make more informed choices about their healthcare. Heather grew up in Seattle, WA and has also lived in Los Angeles, CA and Honolulu, HI. She now lives in West Palm Beach, Florida with her husband.
