Adam Novsam - Zeffy Video Script

Hi, my name is **Adam Novsam**. I am a member of the DSA Board of Directors and the DSA 2027 Baltimore Registration Coordinator.

In this video, I want to explain how to register for the DSA 2027 Baltimore Conference using Zeffy. We have heard from some people who are confused about how to complete the registration form, so I hope this explanation will make the process easier.

First, **Zeffy does not charge you a fee to complete the registration form.**

When purchasing your Combo Registration, click **"CONTINUE."**

On the next page, look under **"Summary"** and click the down arrow. You will see a pull-down menu. Select **"Other"** and enter **$0.00**.

Your final amount for the Combo Registration should be **$475**.

Zeffy may give you the option to make a donation to Zeffy. **That donation is completely optional.** You can choose whether or not you want to donate.

Registering More Than One Person

If you are registering more than one person for the Combo Registration, **you must complete a separate form for each person.**

Each person's form must include their own:

- Name
- Address
- Email address
- VP number
- Text number

Please do not use the same name for multiple registrations. Each person must have their own registration. Using the same name for multiple registrations can prevent individuals from receiving important conference news and information.

Paying by Check

If you choose to pay by check and mail your registration, you must also complete **a separate registration form for each person.**

Please do not put more than one person's name on the same registration form.

Confirmation of Registration

After you have paid for your Combo Registration, either through Zeffy or by mailing a check, you should receive an acknowledgment of your registration.

If you have paid but have **not received an acknowledgment**, please contact me at **adam.novsam@deafseniors.us** so I can confirm that your registration has been received.

You **do not need to bring a registration confirmation letter to the conference.** When you arrive, all you need to do is show your **ID**.

I hope this video has cleared up some of the confusion about how to register through Zeffy.

If you have any questions, please feel free to contact me. You can also visit the DSA website at **www.deafseniors.us** for more information.

Thank you for watching. We want to make the registration process as smooth and easy as possible—for you and for us.

We look forward to seeing you at the **DSA 2027 Baltimore Conference!**
